Bursa Building Fair and Rising City Residential Estate Show organized by Tüyap Bursa Fairs Organization . and Bursa Chamber of Commerce and Industry (BTSO) ended. The fairs organized concurrently hosted 26 thousand 814 persons in total for four days.

Bursa Building Fair and **Rising City Residential Estate Show** organized in cooperation with Tüyap Bursa Fairs Organization .,BTSO, Association of Construction Contractors, Industrialists and Businesspeople (İMSİAD) and Bursa Chamber of Real Estate Consultants (BEMO) and with the support of Bursa Chamber of Painters & Decorators, KOSGEB and Bursa Metropolitan Municipality took place at Tüyap Bursa International Fair and Congress Center with the participation of nearly 100 companies. The fairs where 81 projects, 8735 houses, 510 offices and 422 commercial areas were exhibited hosted 26,814 persons from 18 countries and 24 cities.

FAIRS REVIVED THE SECTOR

İlhan Ersözlü, General Manager of Tüyap Bursa Fairs Organization Inc., said that Bursa Building Fair and Rising City Residential Estate Show organized in 4 halls with the participation of nearly 100 firms hosted 26 thousand 814 persons from 18 countries and 24 provinces in Turkey. Rising City Residential Estate Show prepared with the participation of contractor companies and real estate consulting companies and consisting of 81 projects, 8735 houses, 510 offices and 422 commercial areas provided profitable opportunities for people interested in houses as final consumers as well as those who wish to invest in real estate such as housing, offices, land, shops and get the most out of their savings. Bursa Construction Fair which also presents a variety of products from doors to kitchen, from paint to isolation materials also tested the pulse of the construction sector as the meeting point of the region. Our fairs organized concurrently boosted the sector trade both in Bursa and in country with its contribution to house sales."

VISITORS FROM 18 COUNTRIES

İlhan Ersözlü stated that Bursa which has been developing and growing in the construction sector hosted many investors from United Arab Emirates, Ethiopia, Morocco, Palestine, France, Georgia, Iraq, Qatar, Kosovo, Kuwait, Libya, Lebanon, Uzbekistan, Pakistan, Syria, Turkmenistan, Oman and Jordan during the fairs. Noting that visitors from 24 provinces particularly from İstanbul, Bilecik, Kocaeli, Balıkesir, İzmir and Yalova came to the Fair, Ersözlü stated that "We thank all of our participants, media and press for their interest in our fairs pioneering the promotion of Bursa and supporting its tourism and trade as well as all foundations and chambers contributing to the organization of the fairs."
